

**MBCA Family Care Ministry**

What is the MBCA Family Care Ministry?

A ministry for MBCA families to provide help to one another in times of need.

When should a family call on this ministry for help?

Anytime there is a need – good or bad! Death in the family, a new baby, an illness, an injury, moving to a new home, or any time a family could use a little extra care.

How can you help?

By offering to provide carpooling help, a meal, assistance with children, assistance with errands, praying for a family, or other helpful acts as needed.

By notifying the Family Care Coordinator when you hear of a family who could use a little help. This is especially important since most people are reluctant to ask for themselves!!

By acting as a Grade Level Coordinator to assist in coordinating care when needed.

“Carry each other’s burdens, and in this way you will fulfill the laws of Christ”. - Galatians 6:2
