

**MT. BETHEL CHRISTIAN ACADEMY
CAR POOL INFORMATION**

You may wish to organize friends and/or neighbors to form a carpool. The vehicle picking up the children must have a **decal with carpool number** (numbers will be distributed at "Meet and Greet") displayed prominently in the passenger's side window. This will allow our staff to locate members of your car pool quickly. Please list below anyone, other than yourself, who has permission to pick up your child from school. Please include carpool drivers.

It is crucial for the safety of the children that ALL drivers follow the traffic pattern as shown on the attached map. Our number one concern is the safety of the children. It is also important to remember to drive slowly and cautiously.
